## Significant conditions and exclusions

<b>Medical conditions existing prior to paying your deposit</b>	Your policy may not cover claims arising from your existing health conditions, so you need to tell the insurance company <u>via the Trip Organiser</u> of anything you know that is likely to affect their acceptance of your cover such as:	
	<ul style="list-style-type: none"> <li>• Heart or circulatory conditions</li> <li>• Strokes or high blood pressure</li> <li>• Breathing/Respiratory conditions (including Asthma)</li> <li>• Marfan syndrome</li> <li>• Neurofibromatosis (NF1)</li> <li>• Autoimmune issues (such as glandular fever)</li> </ul>	<ul style="list-style-type: none"> <li>• Cancer (even if now in remission)</li> <li>• Diabetes (including diet controlled)</li> <li>• Irritable bowel disease (such as Crohn's, or diverticulitis)</li> <li>• Extreme sensitivity with allergies (such as peanuts)</li> <li>• Myalgic Encephalomyelitis/Chronic Fatigue Syndrome (ME/CFS)</li> </ul>
	<p>Are you currently taking any medication? (this will not apply to common colds, flu or contraceptive medication)</p> <p>Are you waiting for any tests, treatment or a non-routine hospital appointment?</p> <p>Have you seen a medical professional in the last 2 years?</p>	
	<p>If the answer is YES to any of the above, you must declare them to us; you cannot choose what they declare and what you don't.</p> <p>We need to understand your health as a whole to be able to assess the risk you present in the lead up to the trip and while you are travelling. If any of the above apply to you and you do not declare them, any claim you make whether it is related or not, may only be paid in part or declined altogether.</p>	
<b>Change in health</b>	If you have a change in health after you have paid your deposit, the insurance company reserves the right to alter the terms of this insurance based on the change. Cover under the Cancellation, Medical Emergency and Repatriation expenses and Curtailment sections of the policy will only continue to be provided where the change in health has been declared and accepted by the insurance company. You should notify the insurance company <u>via the Trip Organiser</u> as soon as you are aware of a change in health, failure to do so could result in your claim being declined.	
<b>Medical conditions of people upon whom the trip may depend</b>	In all cases you MUST tell the insurance company <u>via the Trip Organiser</u> about anything concerning the health of a close relative which might make it necessary for you to cancel or cut short your trip as soon as possible so they can advise you if they are able to insure the additional risk and any terms they may require.	
<b>Residency</b>	To be eligible for this insurance your main home must be in the United Kingdom, the Channel Islands or BFPO and you must not have spent more than six months abroad in the year before paying your deposit. All trips must start and end in the United Kingdom, the Channel Islands or BFPO.	
<b>Sports and activities / Winter sports</b>	The policy provides cover for all activities which have been arranged or organised by Ultima Tours/Ski Astons. Any other sports activities will only be covered if the insurance company has been advised of them by the Trip Organiser and confirmed their acceptance in writing to the Trip Organiser. There may be an additional cost associated with providing cover for other activities.	
<b>Deductible</b>	Under some sections there is a deductible (sometimes called an excess) which is the amount you have to contribute towards each claim. All deductibles shown for this policy are payable by <u>each</u> insured-person, per section and for each incident giving rise to a separate claim. Your contribution may be increased to include existing medical conditions confirmed in writing by the insurance company.	
<b>Principle exclusions</b>	<p>There is no cover:</p> <ul style="list-style-type: none"> <li>• If you had a reasonable intention or likelihood of claiming when you paid your deposit;</li> <li>• If you are claiming due to FCDO, government or local authority advice relating to any infectious disease including Covid-19;</li> <li>• If you are unable to provide evidence from a medical professional confirming your illness or infectious disease;</li> <li>• If you simply did not want to travel, had a fear of travelling or you could no longer afford to pay for the trip;</li> <li>• If you are withdrawn from the trip on disciplinary grounds;</li> <li>• If you chose or were recommended to quarantine or isolate as a result of exposure to an infectious disease including Covid-19;</li> <li>• If you haven't told us about any existing medical conditions or where we've not agreed to cover them in writing;</li> <li>• For dental treatment other than to alleviate sudden pain;</li> </ul>	<ul style="list-style-type: none"> <li>• For trips outside the trip dates shown on the booking confirmation issued by the tour operator;</li> <li>• For events or situations you knew about before paying your deposit which could mean that you can't travel;</li> <li>• If you take part in activities other than those which have been arranged or organised by Ultima Tours/Ski Astons, unless the insurance company has agreed to cover them in writing;</li> <li>• For any claim caused by alcohol, drugs or substance abuse;</li> <li>• For natural damage (e.g. wear &amp; tear);</li> <li>• There is no cover for valuables or money unless they are on your person, entrusted to your Party Leader, in a safe/safety deposit box or locked in your trip accommodation;</li> <li>• For any trip involving a cruise;</li> <li>• For any gadget or mobile phone</li> </ul>
